New York, NY 10001

## PROFILE

**In almost 20 years with the firm, Jack has successfully litigated high-profile complex commercial disputes in arbitration, mediation, and in federal and state trial and appellate courts across the country for plaintiffs and defendants.**

Jack has managed and tried large commercial, products liability, and insurance cases. He has experience with matters involving contract disputes, products liability, merger-related litigation, financial fraud, and antitrust concerns. Jack advises investors and other businesses considering strategic decisions that may be impacted by pending or potential litigation or investigations targeting industries or companies. As a former academic, Jack also advises students and faculty in administrative proceedings relating to academic and research misconduct, and violations of university policies.

Prior to joining the firm, Jack was a professor of philosophy at Washington & Lee University in Lexington, Virginia. He is the President of The Pound Ridge Land Conservancy.

## EXPERIENCE

Jack's recent engagements include:

- Representing medical device manufacturer in expansive litigation involving allegations of counterfeit materials in medical devices
- Defending insurer in class action and opt-out cost-of-insurance increase litigation in New York and federal courts
- Serving as trial counsel for a major multinational medical device manufacturer in litigation arising from the alleged breach of a merger agreement's "no-shop" provision
