PROFILE

Guido Maria's specializes in civil and commercial law.

Guido provides judicial advice, both before arbitration panels and ordinary courts. He has significant experience in inheritance law and in assisting private clients and family-owned businesses in the transfer of assets between generations and asset protection, with a particular focus on trust law.

EXPERIENCE

Guido Maria's experience includes:

- Assistance to clients in the establishment of Italian and foreign trusts
- Legal assistance to high-net-worth families in disputes related to inheritance issues and transfer of assets between generations
- Assistance in favor of a leading credit institution in a dispute concerning the possible assimilation between interest rate swap and covered warrant derivative securities
